Manufacturers and Parmers,
The Scientific American his now tracked its Foresteering Yerus, and will enter upon a New Volume on the Hist of Scienthes. It is the only weekly publication of the kind now issued in this country, and it has a very extensive circulation in all the States of the Union. It is not, as some taight suppose from its little, a dry, abstrace work or technical science, on the centrary, it so deals with the great wents going on in the scientific, mechanical and industrial works, as to pleane and instruct every one. If the Mechanic or Artizian wishes to know the best machine in the, or how to make any substance confused in his business—if the Housewife wishes to get a recipe for making a go elector, &.—if the Inventor uishes to know what is going on in the way of improvements—if the Manufacturer wishes to know what is going on in the way of improvements—if the Manufacturer wishes to know what is going on in the way of improvements—if the Manufacturer wishes to know what is going on in the way of improvements—if the Manufacturer wishes to know what is going on in the way of improvements—if the manufacturer wishes to know what is going on in the way of improvements—if the manufacturer wishes to know what is point with the progress made in the chemical laboratory, or in the construction of telegraphs, gleannships, railroads, request, mover and a thougand other machines and applicances, both of peace and where where devolved are can be found in the Scientific domains and applied to the comprehension of minds unlearned in the higher brankes of science and are.

LOTTERIES.—The Lutteries of Samuel Swan & Co., are chartered by the State of Georgia, and have swarn commissioners appointed to superintend their drawings, and certify that everything connected with the same is done in a strilly honorable mamer.—They offer to the public a fair opportunity for investment, the interests of parties at a distance being as well protected as though they were present. The managers would respectfully call attention to the fact that all persons have a legal right to send orders for tickets to Georgia, as the lotteries of Samuel Swan & Co., are authorized by the Legislature of that State. A luttery will be drawn every saturally throughout the year, all orders received being filled in the drawing next to take place after the same romes to hand. According to the scheme on eticket in everyten must draw a prize. Tickets are \$10; halves. \$5; quarters, \$2.50. No tlekets sent unless the manager accompandies the order.
